

Church Partner Program

Overview

Zephyr has been supported faithfully for many years both financially and physically by the churches and individuals of South Texas. Camp Zephyr has no debt and operates independently on revenue generated from guests' use of the facilities. Any donations, grants, or fundraising dollars are used for camp improvements and allow us to keep the cost of camp affordable while providing a quality camp experience.

The purpose of the Church Partner program is to allow churches who believe in the power of camp ministry to support Camp Zephyr financially on a monthly basis. The ideal Church Partnership cultivates a relationship with Camp Zephyr that extends beyond finances (prayer, retreats, work projects, etc).

Guidelines

The following guidelines define the nature and benefits of the Church Partner Program:

- A church is considered a partner if they give a financial gift on a monthly basis as opposed to a one-time or annual gift.
- The initial financial donation should include a Church Partner Commitment Form (available on the Camp Zephyr website)
- Churches that give a minimum \$50 monthly gift for six months are eligible for special benefits (discounted retreat rates, early summer camp registration, etc).

Benefits

- Discounted retreat season pricing
- Early registration for programmed summer camps
- Unique opportunity to actively participate in ministry with Camp Zephyr

Intention

Your support of Camp Zephyr through use of the facilities and as part of our Church Partner program allows us to continue to provide a place where the people of South Texas can escape distraction and encounter Jesus Christ.
